To the Residents of Fairview Apartments,

On Sunday, October 11, 2020 Fairview Seniors Community received notice of one positive COVID-19 test result in the long-term care home. As per Ministry of Health criteria, with one confirmed positive case, Fairview Long Term Care Home is considered to be in outbreak.

The Fairview Long Term Care Team is working with Public Health, following direction and guidelines. We continue to exercise stringent protocols to keep those entrusted in our care safe.

What this means to you, our residents of the Independent Living Apartments is during the outbreak in long term care, there are no changes to visiting guidelines for apartment residents.

I do ask that you continue to be vigilant of infection control practices such as:

- Practice social distancing (at least 6 feet apart)
- Wash your hands frequently
- Wear a mask (covering your nose & mouth)
- Avoid large gatherings or busy places

Our Team will strive to keep you informed through our One-Call-Now communication system. These messages will be brief; copies will be posted in the lobby if you prefer to read them.

If you have any questions, please do not hesitate to contact us directly.

In Kindness,
