

THE CARE YOU NEED – AT HOME

Home and Community Care offers peace of mind.

For over 75 years, Fairview has provided accommodations and care for older adults. Today, we are able to draw from that experience to help older adults enjoy peace of mind as they live their lives independently, as long as possible with the support of Home and Community Care.

About Fairview Seniors Community

Fairview's commitment to older adults with modest incomes, combined with a growing list of amenities and services on its spacious campus and in its Seniors Active Living Centre, makes it the home of choice in Cambridge.

As a community founded in God's love for all and grounded in faith, each person is valued and respected. We honour the spiritual dimension of the human experience and believe that, with love, the extraordinary is possible.
