Fitness Program Descriptions

Chair Yoga: Enjoy all the benefits of yoga from the comfort of your chair. Help your physical, mental and emotional wellbeing by connecting your body, mind and spirit.

Forever Young Strength: Get your muscles toned and strong during this total body resistance class. Variations in exercises are provided to accommodate everyone.

Walking Group: TBA

Keep Fit: This class will help improve your endurance, strength, flexibility and balance. Moderate-intensity exercises predominantly instructed while standing but variations available.

Fairview Fit: This lower-intensity class has opportunity for some standing exercises but the entire class may be done sitting. Combination of cardio, range of motion

TRX: AKA: Total Body Resistance Exercise. Strengthen your body by using secure, canvas straps attached to the wall while you progress through instructor-led movements.

Mat Yoga: This class offers traditional yoga poses in standing and floor poses. We have mats available or bring your own. This is an exceptional way to wind down the week.

Fitness Room: Drop in our fitness room, we offer a variety of strength and cardio equipment. We also offer guidance from a certified kinesiologist who can help you get started on your fitness journey. The fitness room is supervised Monday-Friday 8-4 (afterhours and Monday, Wednesday and Friday during class times unsupervised)

****Please see staff for afterhours & weekend hours.**
